

Camden 4 Training: How to Develop and Deliver a Heritage Project

Potential Project Opportunities and Challenges

Group Discussion

Questions

1. What is the heritage at your church or building?
2. What stories do you have to share?
3. What statutory designation does your church or building have (e.g., Grade I, II*, II)?
4. Do you have a thread or theme that could tie your project together?
5. How can your project make a difference to the heritage, people, and your community?
6. What barriers can you see which you will need to overcome?
 1. Are these physical barriers?
 2. Organisational (e.g., capacity, financial, knowledge of local needs)?
 3. Attitudes or awareness?
