

# HELP SHAPE OUR PROJECT

## AT THE CHARITY SCHOOL, CHURCH ST, EDMONTON GREEN

We're developing our plans to create a new cafe and community hub, providing training opportunities for young people in Enfield. Over autumn 2023 and spring 2024 we'll be talking to people to make sure our plans work for the local community.

### WE'D LOVE TO HEAR YOUR VIEWS...

- the activities you'd like to take part in
- what heritage you want to explore and celebrate
- how we can make our project accessible to you
- if you want to use or hire space
